Mysore Executive Engr's Letter no 455 dated 22nd July 1902, regarding the rooms occupied by one Brahmanandaswami in the Sarvadeva Dharmasala in the Mysore City.

In June 1902 a petition[x] was received in this Office from Venkata Raghavendra Das and several other residents of the Mysore City stating that one Sri Brahmanandaswami had been temporarily residing in the Sarvadeva's Dharmasala and dispensing

had been giving medicines
to the public gratis, and, if so,
what the views of the Committee
were in the matter of
exempting him from the

of the rent, for the temporary period that he might occupy a room in the Dharmasala -

3. In reply Mr. Nagarakar Ex: Engineer of Mysore, who is Ex-Officio Secretary to the Rajaraj Bahadur Charities Committee, states in his letter no 455 dated 22nd July 1902, that, from enquiries made it is found that the Swami has been giving medicines to the public gratis; that the Swami has been occupying two rooms in the Dharmasala since [illegible], during

paying no rent; and that,
having regard to the wishes
of the people, he would
propose to exempt the Swami

he would submit a separate
report on the history and
accounts of the Institution,
with a view to the formation

of a new Committee.

5. A Telegram alleged to be from the residents of the Mysore City, has this day been received in this office, praying that the Swamis may be allowed to temporarily stay in the Dharmasalas; but that the Swamis will leave the City, if compelled to vacate and that Mr. Nagarakar has been compelling him to vacate in three days —

prior to the same being placed at the disposal of the Committee, in consideration of the Maijaraj Bahadur's Chattram having been occupied by the Sri Parakalaswami - ~~For~~ Pad-

each rooms in the Maija- -raja Bahadur Chattram the Committee used to levy a rent of 2 annas per days from persons putting there for more than 8 days and they have perhaps introduced the same rate to this Dharmasala -

It seems hard either to charge rent or to compel the to give Caveat, considering that he puts up in a public Dharmasala - I have seen this Swami -

Though young in years, he is reported to have great knowledge of Natural Medicines and of his effecting miraculous cures. I would therefore Respectfully submit that he may be kept undisturbed during his stay in the Mysore City. Some sort of special regard is I think due to him as an ascetic and as a person who is doing good to the citizens of Mysore
